

Texting 101:

YASS!

- Keep others' schedules in mind.
- Make your texting preferences clear.
- Respect the boundaries of others.
- Always get permission before sending or forwarding photos.

Nah, Bro.

- If you don't get a text back, it's cool. Just chill.
- No need to write a novel. Keep it brief.
- If you wouldn't talk about it in person, don't text about it.
- If you're angry or upset, put down the phone. It can wait.
